

# KENTUCKY BLUEGRASS

# TURF

**Skye**  
**Kentucky Bluegrass**

**Toughest bluegrass on the market!**

**SKYE** elite Kentucky Bluegrass is the first choice of sod farms, homeowners, and turf professionals. Homeowners appreciate Skye's ability to quickly fill in and the ability to rapidly recover from injury. Its reduced vertical growth habit translates into less frequent mowing, less clippings, and lower maintenance costs. Children and pets will love Skye for its ability to withstand their active lifestyles.

- Superior sod strength
- Rich, dark green color
- Fine, lush texture
- Excellent density
- Recovers quickly from abuse
