

Turf that ***PROVIDES***

Results You Can Count On

PROVIDENCE

TURF TALL FESCUE

'Put it in the ground - look at it. You're going to be impressed.'
-Dr. Trent Tate, Plant Breeder

Seeding Rate: 6-8 lbs./1,000 sf

For Best Results: Apply a starter fertilizer with pre-emergent control for weeds during establishment

Mixes well with Skye, Starr & Milagro Kentucky Bluegrasses
